Come with me (2 times)

We had a life, we had a love
But you don't know what you've got till you lose it
Well that was then, and this is now
And I want you back
How many times can I say I'm sorry, oh yes I'm sorry

How could something so good go so bad?
How could something so right go so wrong?
I don't know, I don't have all the answers but I want you
back
How many times can I say I'm sorry, oh yes I'm sorry

(chorus) (2 times)
You can run and you can hide
(But I'm not leaving unless you come with me)
We got our problems but im on you're side
(You're all I need please believe in me)

I only wanted you as someone to love
But something happened on the way to heaven
It got a hold of me and wouldn't let go
And I want you back
How many times can I say I'm sorry, oh yes I'm sorry
Oh you can run!

(CHORUS 2 TIMES)

You can run and you can hide...
We got our problems but im on you're side
(You're all i need please believe in me)
You can run and you can hide
(You're all I need please believe in me)
We got our problems but im on you're side

I'M ON YOU'RE SIDE!
I'm on you're side!
But I'm not leaving unless you come with me baby

Oh baby stay with me

You can run and you can hide
We got our problems but im on you're side

I'm on you're side(until the end)
