RL's part verse #1

To just act like we never were.
To come around
And not show hurt.
How dare we greet
By shaking hands.
Just months ago
I was your man(was your man)
Verbally we agreed it was over
And we were through.
I'm trying to compose myself,
But I just can't get over you

Chorus:

We can't be friends.
We can't be friends
(Deborah u kno I can't go on being just your friend)
We can't be friends(no)
Cause I'm still in love
With you

Debrah's part:(verse # 2)

I went by Mother's,
Saw your car there.
To her you're still family,
And it don't seem fair.
For everyone to just go on.
I've tried and I can't do it.
Cause I'm still torn
I've tried to think of you as just another love
In my past(in my Past)That didn't last.
But it's not that simple baby

Chorus:

We (we) can't be friends(oh no no no oh oh)
We (we) can't be friends(if we(if we can't be lovers
We (we) can't be friends.
Cause I'm still in love

Bridge:

You may see me staring
Or catch me in a daze
May see me hang my head
When you come my way
Don't get too close to me
And expect me to behave
I might just still a kiss
If you come near my face
What I'm trying to sayyyyyyyyyyyyyyyyyy(oh ho)

Chorus:

We can't be friends(we can't be friends)
(Can u look me in the eyes & honestly say u don't luv
me oh ho)(Deborah you Kno)We can't be friends
We can't be friends(R.L I Kno)(whoa ohh oh ohh)
I'll never ever find another love like you oh
I love you too much baby
I love you too muchoohhhh
We can't be friends
I'm still in love with you(I am)(still in love)With you
