Vs 1:When you're in love
somethings you take for granted
until someone pulls it apart
and leaves you with half of your heart
How do I trade
the best I have for less
Without giving up
should I slowly accept
when will be no more than just friends
How do I know when to let go
I know what I'm feeling inside
but part of me still wants to try
So tell me

Chorus:Where do we go from here?
Why's my heart filled with so much fear
when all that you are is all
I need and more

Vs 2:There's no winning this
The battles just begun
I know it's over, but I still feel the same
You'll always remain number one
Cause letting go
holding so much
I know what I'm feeling inside
but part of me still wants to try
So tell me

Chorus

Bridge:Letting go (cause letting go)
weren't so much (weren't so much, much)
I know what I'm feeling inside
but part of me still wants to try

Chorus 5x
