Last night I slept alone
I stayed at home
For the first time since you've been gone babe
No friends to understand
To lend a helping hand
To ease the greatest pain I've ever known

You walked so easily
It still remains a mystery
Remember what you promised me?
But you went away
And it's such a shame
How could you turn your back on me baby?

[Chorus:]
If you don't really want me
If you don't really love me
Then who do you love?
If you don't really need me
If you don't really love me
Then who do you love?

I gave you everything
A man could ever need
I was there whenever you would call me baby
But somehow your feelings changed
You don't act the same
I guess you're not the man that I once knew at all

You walked so easily
It still remains a mystery
Remember what you promised me?
And now the lovin's gone
Oh where did we go wrong?
How could you turn back on me?

[Chorus x 2]

I once was blind but baby now I see, yeah
That I'm not the one
Who can fill your every need

I painted a picture so clear, it's reality
Now I know, yes I know
That you're not the one for me, oh baby

I can't fill your every need
Now I know

When the time is right
And you close your eyes
And you dream at night
Who do you love?

[Repeat verse 4 x]

[Chorus]

When the time is right
And you close your eyes
Tell me what you're dreamin' babe
Who do you love?
