D: Hey, I'm the one he left you for
Can I come in? 'cause the wolf is at my door
He said that it was you
Now that just don't ring true
Like it did when I thought he was mine
Please let me inside, oh...

CHORUS:

D: I just want to cry tonight
And I know you'll understand
How much I hurt inside
'cause I know that you know the man
I know he had his way with us
Aren't you afraid he stole your pride?
Out of sight isn't out of mind
So don't you want to cry tonight?

A: Hey did he say you hung the moon?
And you made it shine in a sky he never knew
Well I've got news for you
I hung the moon too

D: Ain't it funny how that moon turns blue
When there's someone new

A: Can't believe there's someone new

CHORUS:

A: I just want to cry tonight
D: Don't you wanna cry?
A: And I know you'll understand
All the hurt that I feel inside
'cause I know that you know the man
D: Yes I know that man
A: Though he had his way with us
D: Ooh yeah

A: So afraid that he stole my pride

D: Same with me

A: Out of touch isn't out of mind

D: Ooh

A: Don't you want to cry tonight?

Who would have thought

We'd be each other's shoulder to cry on
Life sure holds the strangest surprises
And they're not always sweet, no

CHORUS:

D: I just want to cry tonight

A: I just want to cry

D: And I know you'll understand

A: How much I hurt inside

D: Oh I hurt inside

A: 'cause I know that you know the man

D: I know that man

I know he had his way with us

I'm so afraid that he stole my pride

Out of sight isn't out of mind

A: More than memories are left behind

D: Hey, don't you wanna cry tonight?

D: cry tonight
