Kids Chorus: 1,2,3,4

Tell me what you know, and I'll tell you some more

Jackie and CJ used to be

Nobody knows, just you and me

She calls him up, but he's not there

He's out with someone else and that's not fair

Say yeah, Say hey

M-Y-O-B-Mind your own business

She don't know whose getting his kisses

JR has gone and broken his vow

He wants to tell her, but he don't know how

Say yeah, Say hey/

Chorus:

Woah I, I hope she understands

He never meant to break her heart

Oh now, now everything is different in my eyes

Kids Chorus: M-Y-O-B-Mind your own business

She don't know who's getting his kisses

Little girls start out everything nice

Wearing pretty clothes made of sugar and spice

Boys will be boys it's a fact of life

When a heart breaks

Someone pays the price/What she don't know or hurt

for sure

And the doctor can't help

'Cause there ain't no cure

Now Jackie sits home thinking everything's fine

But when she finds out

It'll blow her mind

And now, I don't know what to do

Chorus 2x:

Oh I, I hope she understands

He never meant to break her heart

Oh now, now everything is different in my eyes

The Golden Rule

That must be learned

You may be cross

But without you, girl

It's really his loss

What he don't know or hurt for sure

And the doctor can't help

'Cause there ain't no cure

When Jackie finds out where he's spending his time
And she walks out, it'll blow his mind
And now, I don't know what to do
Bridge:
It's so hard, there is no easy way
I can explain
I just don't feel the same
Kids Chorus: 1,2,3,4
Tell what you know and I'll tell you some more
Chorus 3x
Kids Chorus: M-Y-O-B-Mind your own business
