I'm naked and lost
But not from what I gave you
You can turn it all around
Won't you be naked too
My heart's on the floor
And I see the door
But I'm stuck here
Nothin' more to know
It's not for sure
But for real

I'm naked
I'm ready
To turn the whole thing over
I'm awaiting permission
Ohohohohoh
I'm naked
And I can't conceal my love

Did you really use to think the world is endin'
Why will you not turn and say what's on your mind
Happily ever after, never ending
I can let you in my dream
Won't you be mine, oh

I'm naked
I'm ready
To turn the whole thing over
I'm awaiting permission
Ohohohohoh
I'm naked
And I can't conceal my love

I'm laying in a rainstorm
Things you thought you never wanted
I will embody
All your secret passions baby
I'm naked
And opened to believe, oh oh

I'm wild and free
I am nothing but me

And it's all I bare
To be taken for granted

Oh I would love to quit now
If thy heart knew how to breathe
Without you
Oh I'm naked

Hmmm I'm naked
Hmmm hmhhh
Hmmm hmhhh hmhhh hmhhh
Hmmm hmhhh hhh hhh hhh oh

I'm naked
I'm taking
That one old truth that leads you to
The goldmine
The river
Feeling what you did it has to see
I am naked
Won't you be naked too, oh

I'm laying in a rainstorm
Things you thought you never wanted
I will embody
All your secret passions baby
I'm naked
And opened to believe, oh oh oh oh
OH!

I'm naked
I'm soulful
I'm naked
I'm candid
I'm naked
I love you
I'm naked
I want you too
I'm naked

I'm naked
Things you thought never wanted
Ohohohoh Oh!

I'm naked
It's over
I'm lifting up the covers baby
Woooo
All your secret passions baby

I'm naked

(Yeah-yeah)
Oh oh ohoh ohohohoh
I'm naked
