He's on the level  
If he's inclined  
The son of a devil  
He wants mine and more  
He's a high, high climber  
Not just a clinging vine  
He made the grade, he made his marks, its secure  
And guess who's keeping score?

Rush rush, got the yeyo?  
Buzz buzz, gimme yeyo  
Rush rush, got the yeyo?  
Yo yo, no no yeyo

He's a real speed demon  
He's one of a kind  
Watching, waiting, winking over his shoulder

He's running out of time

Rush rush to the yeyo  
Buzz buzz, gimme yeyo  
Yo yo, no no yeyo, go go  
Rush rush to the yeyo

Never never take a chance before  
Now he's in a hurry  
Better, better make your mind up boy  
He's faster...

Rush rush, gimme yeyo  
Buzz buzz buzz, gimme yeyo  
No no, gimme yeyo  
Yo yo, got my yeyo
