Somebody told me all of your goodness
It sure sounded good to me
Now I was thinking if I could try it
Just a little bit to see
Now through every temptation
You were on my side ya help me
see the way
Didn't try to confuse me
Only to use me cause you had something
to say...Now

(Chorus)
Ain't nobody gonna stop me now
I'm gonna keep hope and let the light shine
Cause everyday you keep telling me
I'm your child

Now through all of the crying
and all of the sighing
Ya never let me down or if
I would stumble I'll make a crumble
Ya kept me safe and sound
Now I'm so grateful you stepped right on in
Said child I'll lead the way
Only sent to speard love maybe to
get some love each and everyday oh but now
(Chorus Repeat 2x)

(Pre-Vamp/Harmonizing)
Yeah---hey hey hey yeah
Hey---ah ah ah ooooh
Ain't nobody yeah
(Chorus Repeat/the end)
