Chorus:

Because of your love for me
I'll give you everything
My praise and love I'll bring
Because of your love for me
Your love, your love

Lead:

The greatest joy that I have
ever known is the day that
I came to know you
Just as lost as I could be
Lord you'd come and rescued me
Now my gratitude's forever

Bridge:

My heart and my life
And my gift that they all bring
glory to you
When I felt your mercy two words
help describe you faithful and true
(Chorus Repeat)

Lead:

No other real no place
within my will
To always keep the praises flowing
I will love you all the way and I'll
bless you everyday it's love lord that
keeps me going

Bridge:

My heart and my life
And my gift that they all bring
glory to you
When I felt your mercy two words
help describe you faithful and true
(Chorus Repeat)

Vamp:

Because of your love

Oh yes Lord your love
Worship you only
Praise the one above
It's my desire to lift you
higher thank you for your love
your love(5x /the end)
