Somehow Iâ€™m something greater
By being a little less me
The power of one is overrated
You make me powerfullyÂ...
Complete, Complete
Completely me
Somehow your eyes reveal me
Donâ€™t even have to speak
Without a touch you feel me
You make me quietlyÂ...
Complete, Complete
CompletelyÂ...
We are the dance without the step
The win without the bet
The complicated, simple answer yes
You are my magic garden
My window to the dream
Iâ€™ll meet you halfway anywhere
You make me magically
Complete, Complete
Completely me
Round and round and round we go
I know how this garden growsÂ...complete
Completely me
