Small talk, pretty large drinks
Walk the walk, don't even think about it
Stand around quotin' shrinks
She eyes his wallet, the old man winks
I'm a square in this circle
But I am not the fool
Gonna hail me a cab, get outa this suit now
Cuz I don't wanna be that cool
Drive their Porsches low to the ground
But when they're talking to you, talkin' down
Got a wandering eye to the next best thing
The big audition, the desktop fling
I'm a square in this circle
But I am not the fool
Gonna hail me a cab, get outa this suit now
Cuz I don't wanna be that cool
Got a whole bunch of money and a lot of letters after
their names
Talk and they talk and they don't have nothin' to say
Gotta get out, get goin', deal me out of this game
I don't wanna play, I'm running away
Small talk, pretty large drinks
Punch the clock, forget that dream
Put your heart in a briefcase, your soul on file
I feel the aching behind that smile
I'm a square in this circle
But I am not the fool
Gonna hail me a cab, get outa this suit now
Cuz I don't wanna be that cool
