Iâ€™ve fallen, slipped again  
Iâ€™ll clean up the mess Iâ€™m in  
I learn my lessons well  
One kiss canâ€™t break this spell  
I hear, the tears have spoken  
Iâ€™m hurt, but Iâ€™m not broken  
I bleed, the wound is open  
Iâ€™m hurt, but Iâ€™m not broken, Iâ€™m not broken  
Cannot embrace goodbye  
Canâ€™t let that sleeping dog lie  
My karma, I suppose  
Have to hit the dirt to grow  
(Chorus)  
Just a crack to be filled  
Just another dream that spilled  
Nothing shattered, nothing gained  
I heal again, again, again  
Undo my folded wings  
To fly beyond these things  
The famine feeds the soul  
The pieces make the whole  
I hear, the tears have spoken  
Iâ€™m hurt, but Iâ€™m not broken  
I bleed, the wound is open  
Iâ€™m hurt, but Iâ€™m not broken, Iâ€™m not broken
