If Iâ€™m dreaminâ€™...wake me, wake me
If Iâ€™m fallin downâ€™...pick me up
If you see me stumblinâ€™ down this street
Just remember Iâ€™m not that tough
But if you hold me like Iâ€™m somethinâ€™
You will see that I can turn to gold
If I let you see beyond my skin
Youâ€™ll think Iâ€™m beautiful when weâ€™re old
Cuz love, oh loveâ€™s a funny thing
Makes a blackbird quiet and a poor man sing
If you cry today youâ€™ll laugh tomorrow
Cuz love, oh loveâ€™s a funny thing
If Iâ€™m empty, fill me slowly
If Iâ€™m spillinâ€™ love, drink it up
Waterâ€™s still and rough but ever flowing
Just knowing babe, thatâ€™s enough
Cuz love, oh loveâ€™s a funny thing
Makes a blackbird quiet and a poor man sing
If you cry today youâ€™ll laugh tomorrow
Cuz love, oh loveâ€™s a funny thing
Twirling in a field of heather
All at once with sky and earth
So alone and so together
Reunited here at our birth
If Iâ€™m fading, color me brightly
If Iâ€™m a closing door, break me down
We climb to the top, struck by lightning
Get lost in me, you will be found
Cuz love, oh loveâ€™s a funny thing
Makes a blackbird quiet and a poor man sing
If you cry today youâ€™ll laugh tomorrow
Cuz love, oh loveâ€™s a funny thing
