Used to be afraid to go outside  
No more, no more  
Thought the 10-foot people would have my hide  
No more, no more  
And it's nothing that I realized  
It's not because I'm older  
Just one day I looked over and saw the moon upon my  
shoulder  
Moon upon my shoulder  
And no more, no more  
Not a fearful bone in me.  
Used to be afraid to close my eyes  
No more, no more  
Saw my one old man who did and died  
No more, no more  
And it's not because I never cried  
My heart has not grown colder  
Just one day I looked over and saw the moon upon my  
shoulder  
Moon upon my shoulder  
And no more, no more  
Not a fearful bone in me.  
La la la la la la...  
Used to be afraid to look inside  
No more, no more  
The place where fear and dreams collide  
No more, no more  
But that is where my beauty lies  
My spirit has unfolded  
Cuz one day I looked over and saw the moon upon my  
shoulder  
Moon upon my shoulder  
And no more, no more  
Not a fearful bone in me
