In my mind, see your face
There I know that love's so kind
You're still mine
In my heart, made a home
Simple song ringing love reborn, love reborn
Babies crawl, horses race
Jigsaw puzzle pieces fall in place
It was meant that way, yeah

Meant for you, surely
I am meant for you
More than an intuition, more than a clue
Meant for you surely
I am meant for you
Was meant for you baby
Was meant for you baby, baby

Don't we take the time to go
Learning how love though we make time
But high hopes
Eventhough it's plain to see
Ain't it always me for you and you for me
It was meant to be, yeah

Meant for you, surely
I am am meant for you
More than an intuition, more than a clue
Meant for you, surely
As dreams come true
I was meant for you baby
Was meant meant for you baby, baby

In my heart made a home
Simple song ringing love reborn, love reborn
Babies crawl, horses race
Jigsaw puzzle pieces fall in place
It was meant that way, yeah

Meant for you, surely
I am meant for you
More than an intuition, more than a clue

Meant for you, surely
I am meant for you
Was meant for you baby
Ooh was meant for you baby, baby

Ooh ooh meant for you, ahh was meant for you
In my mind, ooh hoo
Love so kind
