I don't know what I'm doing
But I know that I want you
And if I didn't want you
When I told you to come through
The hotel party that we threw last night was off the
chain
I apologize that I didn't have you on my brain

Just text me on my phone
You ain't gotta ask why
Coz we gon' go an buy

A hotel...
My hotel...

I really wanna kick it
You should really come through
Make sure you bring your homegirls to the hotel with
you
And we gon have some
Mixed with something else to
And I know I can't call on nobody that's like you

Just text me on my phone
You ain't gotta ask why
Coz we gon' go an buy

A hotel...
My hotel...

Last night was off the chain
I don't know where I went
All I know is I remember time we spent
And you told me that baby we should keep it on the low
Coz you don't want all your homegirls to know

Just text me on my phone
You ain't gotta ask why
Coz we gon' go an buy

A hotel...
My hotel...

My hotel...
