

Decameron

"Our Time Has Come"

Visit "[Our Time Has Come](#)" on MotoLyrics.com

Right hand illusion

-Insanity

What will they become

What will they be

An empire built upon lies

Following their father with worthless cries

Left hand reality what was shall be

Mighty are we, who rules with obscurity

No leaders shall be found

Just inspiration

Praise the lords of darkness, and hail this evil creation

We have the power

We have the knowledge

We have the right

To be ourselves

Rege Sathanas!
