

## Deceiver "Cover The Wounds"

Visit "[Cover The Wounds](#)" on MotoLyrics.com

I am one of many  
Burning the night  
Haunted by my past  
I wish to move on  
Now I can't stand the city lights  
I call upon you babe  
Help me with my grief  
Help me

Cover the wounds, life is torn  
Cover the wounds  
Take me back to my life

Am I one of many?  
That burn in your heart  
You say you want my future  
I wish to move on  
I can't stand your narrow mind  
And your way of life  
If you want me back  
You must

Cover the wounds, life is torn  
Cover the wounds  
Take me back to my life  
Cover the wounds, life is torn

The bitch got something to say  
Shut your fucking mouth  
I see no reason to listen  
I see no reason to care  
There is no way out  
All that I feel is disgust

I am one of many  
Burning the night  
You're burning out baby  
You're in my way  
I can't stand your narrow mind  
So back off bitch  
Stay out of my way  
I must

Cover the wounds, life is torn  
Cover the wounds  
Take me back to my life  
Cover the wounds, life is torn
