[Intro:]

Just last week, just last week

[Hook: Big K.R.I.T. & Future]

Just last week I had to ball on em  
Just last week I had to ball on em  
Just last week I had to ball on em  
See the tower long, chrome on  
Just last week I had to ball on em  
Just last week I had to ball on em  
Just last week I had to ball on em  
See the tower long, chrome on  
Today I'm on, today I'm on  
Today I'm on  
Just last week I had to ball on em  
Today I'm on, today I'm on  
Today I'm on  
Just last week I had to ball on em

[Verse 1:]

Just last week I had to run upon a nigga like  
Where that money you owe me?  
Say you got it, well show me  
Look up hoe, you know me  
Pull up, hop out, clean  
Everybody wanna be a pimp nowadays  
But don't nobody wanna break a hoe  
Kick a do'when the plane don't fly  
Get your pimp nowadays  
So waddup dawg? Ain't nothing changed since pimp  
when broke  
Even I still ride old school, paint rid it like you ever saw  
Slab it eye, work it on  
Banging is cool for the niggas that don't nobody  
I was whippin through the game like nigga how could  
doubt me  
Hold up

[Hook: Big K.R.I.T. & Future]
