Yeah yeah, big L, Corleone
My nigga C-town
My big brother big Lee holdin' it down
Flamboyant baby, for life
We takin' over, comin' to a theater near you
Check it out, come on check it

Make sure my mic is loud and my production is tight
Better watch me 'round your girl if you ain't fuckin' her
right
You damn playa haters never wanna see me blow
Flamboyant entertainment C.E.O.
Yo the spotlight is mine, it ain't his no more
When Lee come home, niggas can't live no more
And, I'm straight, keep a Harlem world mind state
I never lounge where you find Jake

Surprise niggas like a blind date, I rhyme great
And I'm a increase the crime rate for old time's sake
Run with me and I'm a make you a star
When me and my crew hit the clubs, we go straight to
the bar
Leave 'em empty, I cruise through Harlem in an M3
Never pay for parties, say my name and I'm in free
I'm on some 100-G car shit, superstar shit
Sellin' niggas that wet shit right out the jar shit

I'm dumb hot, I'll wreck you and your young flock
Keep the gun cock, represent one block
139 nigga, the danger zone
We quick to put a bullet in a stranger's dome
I'm known to kick a rough rhyme and rock much shine
Yo I'm out, I done took up enough time
We out, no doubt, you know how we do
Flamboyant for life

Big L, Corleone
A smooth kid that'll run up in your baby mother
Big L, for real
Corleone is too advanced for y'all
Big L
I'm a pimped-out nigga for real

Big L
Corleone is too advanced for y'all

Yo it's Corleone and queen's most, we bust 'til your
whole team ghost
Everywhere we go, we must bring toast forever
Poppin' the chrome, always droppin' a poem
I can write it or recite it off the top of the dome
However you want it is how I'm gonna give it to you, big
I style
They brought it back to the streets 'cause that shit sell
now
So pal back up a bit, give me elbow space
I represent Harlem world, not Melrose place

So I'm a lace the jewels up with nice bridgettes
Flamboyant is the label that writes the checks
Y'all niggas better stop frontin' 'cause I might get
vexed
And I'm a run up on y'all and slice y'all necks
With the Machete, pockets heavy, slang more Cane
than Eddie
I represent uno trece nueve
Time is money so I stay late, I'm quick to sign a
playmate
Bust off like a tre-eight then vacate, uh

Big L, Corleone
A smooth kid that'll run up in your baby mother
Big L, for real
Corleone is too advanced for y'all
Big L
I'm a pimped-out nigga" "for real
Big L
Corleone is too advanced for y'all

Big L
I leave mics torn
Big L
I leave mics torn
