[Big L]

A yo spark up the phillies and pass the stout
Making quick money grip before your ass is out
In a street brawl I strike men quicker than lightning
You seen what happened in my last fight friend? iight
then
L's a clever threat, a lyricist who never sweat,
Comparing yourself to me is like a Benz to a
chevorlette
And clown rappers I'm bound to slay
I'm saying hi to all the cuties from around the way
Yeah, cause I got all of them sprung Jack
My girls are like boomer-rings
No matter how far I throw them, they come back
I'm coming straight out the N.Y.C., I'm down with diggin
in the crates
And I'm M.V.P. yeah!

[Miss Jones]

It's Big L,
Repeat 4x

[Big L]

Yo it's a must that I get papes
Peace to all the DJ's who gave me love on their mix
tapes
And once again the man's back with a dented track
So here's your chance jack to get loose and let your
hand clap.
I got juice like voco, mad crues I broke thru,
Niggas be getting mad cause I hit more chicks than
they spoke to.
And everytime I'm in a jam I always find a loophole,
I got a crime record longer than Manute Bol.
And my raps is unbelievable like aliens and flying
sorcers
No more iron horses cause I'm buying porches.
I'm coming straight out the NYC peace to the Kid Carpi,
I'm M.V.P.

(Miss Jones):

If rap was a game i'll be M.V.P., the most valuable poet

on the M.I.C.
If rap was a game i'll be M.V.P., the most valuable poet
on the M.I.C.
It's Big L (repeat 4x)

(Big L):

Battles I loose none I make crues run
I get fools done, got ten fingers but only use one.
My run is like Machine Gun Kelly, with a black skully,
Put one in your belly, leave you smelly, and take your
Pelle Pelle.
I'm the neighborhood lampor, punani vamper, mess
around you'll find My silk
Boxers in your mommy's hamper.
And nowadays girls want you for your money,
I'm like Hev, I got nothing but love for you honey.
And since I'm looking slick and my pockets are thick,
I need surgery to get chicks removed from my (chill)
I'm coming straight out the N.Y.C., raps my job, and I'm
M.V.P.
