Check it out, this the Big L yknowimsayin  
Chillin with my man Herb, we gon' drop like this  
Check it out, check it

You better flee Hops, or get your head thrown three  
blocks  
L be keepin niggaz hearts pumpin like Reeboks  
It's the nigga that bitches suck and sweat  
Faggots I buck and wet, disrespect and I'ma break ya  
fuckin neck  
I'm known to put a cap in a duck face, I spray guns,  
Fuck Face  
I'm a nutcase from a rough place, it's called Uptown  
Front and get bucked down  
Walk through with jewels on, that ass'll get stuck clown  
I got styles you can't copy bitch  
It's the triple six in the mix  
straight from H-E double hockey sticks  
I'm the Devil's Son, like my song said:  
I smash niggaz like cornbread  
You can't kill me - I was born dead  
I wet shit up like a floodage  
Me and me crew peel cats and carry gats like it's  
luggage  
I'm nowhere near trash, step to the rear fast  
'fore I have ya queer ass cryin like tear gas  
Every year I gain clout, and my game sprout  
Some niggaz'll be virgins if crack never came out  
The Big L's hard to kill, when my squad gets ill  
You better guard your grill, before you gets scarred for  
real  
Big L is a large boss  
known for puttin more holes in a nigga body than in a  
golf course  
I'm crazy quick to knock a duck off  
I'll pull out then buck off  
and tear a nigga grill right the fuck off  
You'll get smoked - like a Phillie fast  
cuz ya shit is really trash  
Fuck around, I swing on ya silly ass  
It's Big L the crime converter  
Sayin peace to all the niggaz in jail doin time for

murder  
I wreck the mic, plus the whole stage, rockin cornrow  
braids  
I'm killin motherfuckers like old age  
Known to keep a hottie open  
I keep a shotty smokin  
Front and get half the bones in ya body broken  
I never false teach, so listen as the boss preach  
I only rock leathers by Martin Cannon and North Face  
I'm makin rap hits, I stab flicks and mack chicks  
just the slim ones, you won't see L with no fat bitch  
Yo I'm the nigga that they call AWOL  
Punks - I slay all, on my spare time I play ball  
In the playgrounds I spray clowns with trey pounds  
Makin G's from transportin ki's on Greyhounds  
My shit is kickin like a sensai  
I'm smoother than Ben Gay  
?Comprende?  
I'm outtie like M.J.
