[Big L:]

I used to be a rich nigga, selling much crack
To make a long story short, I fell off like a hub cap
My operation got shut off
I cant slide a slut off
I gotta beat my dick to get a nut off
Cause when a convo is struck up
Bitches act stuck up, my luck sucks, everything is
fucked up
To get cash I gotta beg
Cause every time I reach in my pocket all I feel is my
dead leg
Its about time that I feel cash, gotta get it right now,
gotta get it real fast
Cause all I got left is 2 mack tens, a army jacket, a ski
mask, a hoodie, and some black Tims
I'm about to get extra ill, so I went to crib, got booted
up and got dressed to kill
The first place that I hit was the corner store
I pulled out and told everybody to get on the floor
I took the cash and I jettied
One kid tried to set it, I bet he regret it cause because
he got wetted
Robberies I did well, when you look in the dictionary
under villain you'll see a photo of Big L
Fuck a job, punks is gettin robbed is scarred
Cause times is hard on the boulevard

[Big L:]

Yo I was robbing people on a regular basis in many
different places and all types of races
I robbed gangstas, I robbed ducks, I didn't care who I
stuck as long as I got a buck what the fuck
When niggas see me they take flight
I'll even rob Jehovah if I catch him right on a late night
Keep a vest G don't try to test me
A red neck police chief tried to arrest me
Ayo that wasn't a smart cop
Because I put 2 in his chest and his mother fucking
heart stopped
Its a must I commit crimes
Cause I gotta get mine, its hard times, and all I see are

dollar signs
Why should I work for another sucker
When I can do robberies and make G's like a mother
fucker
Fuck a job, punks is getting robbed is scarred
Cause times is hard on the boulevard
