Some people tell me I'm a player
But I don't play when it comes true
Ain't no doubt about that baby
Guess I'm fall in love with you

I'll be a shelter from the storm
I'll be a blanket to keep you warm
You don't know what you mean to me
Can you imagine how I feel?

I'm shining burning
Cause my lonely days are go
I like the way you put me on
Shining burning
Cause my lonely days are go
Cause my baby's come back home

It doesn't matter what your friends do
It doesn't matter what they say
They just jealous of me and you
They don't know what love can do

I'll be a shoulder you cry on
I'll be a samcking ball
You can rely on
You don't know what you mean to me
Can you imagine how I feel?

I'm shining burning
Cause my lonely days are go
I like the way you put me on
Shining burning
Cause my lonely days are go
Cause my baby's come back home

Shining burning
Cause my lonely days are go
I like the way you put me on
Shining burning
Cause my lonely days are go
Cause my baby's come back home

Shining burning
Cause my lonely days are go
I like the way you put me on
Shining burning
Cause my lonely days are go
Cause my baby's come back home

Shining burning
Shining burning

Shining burning
Cause my lonely days are go
I like the way you put me on
Shining burning
Cause my lonely days are go
Cause my baby's come back home

Shining burning
