I wonder were you are  
near or far away  
i wanna be with you  
every night and day

im lookin for an answer in your eyes  
im searchin for your love  
deep inside

your love, is everything i live for  
your voice, is what i hear  
your touch, is everything i dreamed of  
cuz you are, the one i need  
the one i need

i wonder how you feel  
my love for you is true  
id walk a thousand miles  
just to be with you

im lookin for an answer in your eyes  
im searchin for your love  
deep inside

your love, is everything i live for  
your voice, is what i hear  
your touch, is everything i dreamed of  
cuz you are, the one i need  
the one i need
