Jump in the Fire
Jump in the Fire
Jump in the Fire

Down in the depths of my fiery home
The summons bell will chime
Tempting you and all the earth
To join our sinful kind
There is a job to be done and I'm the one
You people make me do it
Now it is time for your fate and I won't hesitate
To pull you down into this pit

Jump in the Fire
Jump in the Fire
Jump in the Fire

With hell in my eyes and with death in my veins
The end is closing in
Feeding on the minds of man
And from their souls within
My disciples all shout to search you out
And they always shall obey
Follow me now my child not the meek or the mild

But do just as I say

Come on, Come on, Come on,
Jump in the Fire

Come on, Come on, Come on,
Jump in the Fire

Come on, Come on, Come on,
Jump in the Fire

Jump by your will or be taken by force
I'll get you either way
Trying to keep the hellfire lit
I am stalking you as prey
Living your life as me I am you you see
There is part of me in everyone

So reach down grab my hand walk with me through the
Land
Come home where you belong

Come on, Come on, Come on,
Jump in the Fire

Come on, Come on, Come on,
Jump in the Fire

Come on, Come on, Come on,
Jump in the Fire
