I wanna be with you  
I wanna be with you  
Every night, wrong or right  
I've got to be with you

I wanna be your girl  
Your one and only girl  
You turn my grey skies to blue  
Oh yes, you do  
I wanna be with you

(I wanna be with you)  
I wanna be with you  
(I wanna be with you)  
I wanna hold your hand and understand  
Baby, baby, every night  
Let it be wrong or right  
I've got, I've got to  
I wanna be with you

(I wanna be with you)  
Baby, baby, baby, baby, baby  
Let me be with you  
(I wanna be with you)  
Let me hold your hand, let me understand  
I wanna be with you  
Whether I'm wrong or right  
(I wanna be with you)  
I wanna be with you, baby  
(I wanna be with you)

(Fadeout)
