Here I am Today Reflectin Yesterday  
Can't Believe I Been Replayin Cuz Now My Hearts Left

You Know I Should Have Known  
Messages Awn Your Fone  
Actin Like it's Nothin

[Bridge:]

Dunno What Ima Do  
When My Whole World Was You  
Played Me Just Like A Fool  
And You Know That Just Aint Cool

[Chorus:]

Dunno Why The Radio Keeps Playing Wif My Mind  
And I Keep Awn Askin Why  
Every Station Keeps Awn Playing This Song All The Time  
(And I Just) can't Get You Out My System  
Aint A Dam Thing I Can Do  
Turnin Awf My Radio (Turn It Awf) Cuz I'm Not Trynna
