No all star cast, no scripts, no budgets
in the soundtrack of my life
jus drugs and violence, sex and cryin'
in the soundtrack of my life
im like halle in monsters ball, jada in set it off
in the soundtrack of my life
no special effects, just rep my set
in the soundtrack of my life

.....

We 'bout to wait for my first child
I'm standing on a welfare line
Baby daddy went and hit my moms with a metal pan
They fight 'cause he don't treat me right
My faith I'm in is real life but
I can't seem to get that right
Feel like a bum because my gear aint tight
Up late cutting crack for his feens
Is that why the feds question me
when i was yound i was really good girl
Remember when i Had no need for liquor and green

See the job wasn't making it
So thats why they hustlin
I Smoke more than i sold
Got to get to the studio
And Moms dont wanna babysit
She thinks i don't love my kids
Dropped out and got my GED
Because the pressure was too much for me
Up late cutting crack for his feens
Is that why the feds question me

Remember when i Had no need for liquor and green
