[Chorus:]

I bet it'd feel real good.
Just go slow and steady.
Take long strokes.
Don't cum I'm not ready. [x3]

[Verse:]

Just make me feel like I never felt before.
Hit it from the kitchen to the living room floor.
While we swimming round in a pool of sweat let's flex,
time to have sex.
Don't stop right there work your way around.
Please don't stop until you hear the ooh, aah sound.
Don't front you know that you can lick me up and down
till I say stop.
Help me play with my body baby.
Make me real hot.
Gonna do all the things you need me to do.
'Cause tonight baby I wanna get freaky with you.

[Chorus:]

I bet it'd feel real good.
Just go slow and steady.
Take long strokes.
Don't cum I'm not ready. [x3]

[Verse:]

Feel my legs trembling.
Bout to cum in your mouth.
Love it when you pull my hair when you're up inside.
Look me in my eyes.
Said you can't hold back no more.
But the way that you're making me feel I don't want it to
end.
Wanting more and more.
Feels so good now you can lick me up and down till I
say stop.
Help me play with my body baby.
Make me real hot.
Gonna do all the things you need me to do.
'Cause tonight baby I wanna get freaky with you.

So Dangerous.
