Mafia

Middie Mafia dangerous LLC callabo

Boss said I should give him head for a raise

Niggas be thinkin bitches is pussy

See, I'm from the hood and I stay hood

Dangerous LLC Niggaz

Two kids got no heat, no hot water, baby daddy stuck
behind bars

I stay tree'd up

Overworked, underpaid, and my boss said I should
give him head for a raise

I stay tree'd up

In the studio, rhymin up late and these labels wont give
me a break

I stay tree'd up

The're stressin me hard, so I toke just to cope and get
by everyday

I could be that cocaine, heroin but I choose that
marijuana

Stay red all day just to escape the drama

Niggaz callin out my name cuz my bell is broke

I live ghetto fabulous

Nigga I'm the hoodz princezz

Yes, I'm such a fucken lady, pop off, try to play me

Punto, I'm about buisness, I wont take nothin less

Nigga,

Fuck you, pay me

Tryin to play me cuz I'm a bitch

Two kids got no heat, no hot water, baby daddy stuck
behind bars

I stay tree'd up

Overworked, underpaid, and my boss said I should
give him head for a raise

I stay tree'd up

In the studio, rhymin up late and these labels wont give
me a break

The're stressin me hard, so I toke just to cope and get
by everyday

I could be haze, blueberry roll up in a banto leaf
Sparkin up with middie mafia and dangerous
LIC these aint songs it's my life on beats
Stay high all the time cuz it inspires me
