It's a new day 'til the dawn

In your eyes I'm nothing but a lost cause
It hurts and I can't walk on
Astray inside everything that I hide
And I can't find my way back home

When it's time to count the costs
I am so lost
And I can't make my way back home

I don't know how to make it
But I'm not gonna waste this
It's a new day 'til the dawn

I don't know how to say this
But I'm not gonna fall for you
It's a new day 'til the dawn

On my own, I need to be brave now
In your eyes, heroes never die
Day by day, I'm living for tomorrow
Do you like to see me this way

When it's time to count the costs
I am so lost
When I can't make it go
