To the other side

I open the door into the other side (2x)

I nearly drowned last night in the pool

And how did I get these tattoos?

Now

Everyday I wear a different news

And everyday I'm taking it out on you

I open the door into the other side

I can't wait for you to call

Cause time is dragger

And it'S getting cold

I'm in a raging storm

Nobody told me the way it goes

I gave you my name but I'm never home

I'm in a raging storm

To the other side

I open the door into the other side (2x)

I was born again in a motel room

I got so close to the flame with you

Now everyday I wear a different news

And everyday I'm taking it out on you

I open the door into the other side

I can't wait for you to call

Cause time is drag

And it's getting cold

I'm in a raging storm

Nobody told me the way it goes

I gave you my name but I'm never home

I'm in a raging storm

To the other side

I open the door into the other side (2x)

I can't wait for you to call
Cause time is drag
And it's getting cold
I'm in a raging storm
Nobody told me the way it goes
I gave you my name but I'm never home
I'm in a raging storm
