Well, I woke up this mo'nin'  
With ramblin' on my mind  
Well, I woke up this mo'nin'  
With ramblin' on my mind  
Well, my babe had quit me  
An I couldn't hardly keep from cryin'

She brought me up north  
When I was just out of school  
She brought me up north  
When I was just out of school  
Since she got me up north  
She tried to play me for a fool

When a woman says she love you  
Man, don't pay that no mind  
When a woman said she loves you  
Man, don't pay that no mind  
She'll have you out of yo home  
Just like I'm outta mine

(guitar, piano & bass)

When you see me leave you  
Hang crepe on your door  
When you see me leavin'  
Hang crepe on your door  
Well, I won't be dead  
But I ain't comin' here no more.
