It's too bad
Things are going so tough with me
It's too bad
Things are going so tough with me
I'm blue and disgusted
As any poor man could be

I used to have a car
An it was painted white an black
I used to have a car
An he was painted white an black
I couldn't keep up the payments
An the man, he took it back

I used to smoke cigars
The very best in town
But bad luck an trouble
Is bound to tear me down

It's too bad
Things are going so tough with me
I guess I go back to my plow
And start hollerin' (*whoa, haw, gee)

'Play 'em for me boy, play 'em for me'

(piano)

'You know my gal quit me'

'I'm sho' in hard luck'

'Get it and get it good, now'

'Yes, I know'

'I have so much trouble'

The women that I'm lovin'
Is followed me all around
I can tell by her action
She 'bout to put me down

It's too bad
Things are goin' so tough with me
You have heard my story
Peoples, what'ch you think a me?

~

*Whoa, haw, gee
Mules and horses: whoa=stop
Haw=go left, gee=go right.
