(Airey/Gillan/Glover/Morse/Paice)

I read in the news
That the average man
Is uplifted five times a day
IÂ'm confused
I have to confess
My feelings never goes away
I know itÂ's right
They asked the average man
In a survey across the nation
I canÂ't understand the average man
Keeps losing his concentration

Oh you gotta use it
Oh you gonna lose it

IÂ'm just begun
When youÂ're all done
I see you running down the road
CanÂ't hear a thing
My mind is blasted
And my head is about to explode
Feeling the pain
Just more of the same
As we rolling through the night
Going so fast
WeÂ're sure to hit the next town
Before the last oneÂ's out of sight

Oh you gotta use it
Oh you gonna lose it

Back to back
One on one
Shake it up
Move it on
Back to back
One on one
Turn it up
Hold it down
