(GillanGloverPaiceMorseAirey)
I've got nothing to say today
I used my words up yesterday

I'm just lying here in the sun
Watching you guys having fun

Seven days and seven nights
Working till you got it right

Don't help me I'll help myself
I'll pull some crackers off the shelf

She had her hair done yesterday
Now she's coming out to play

First you pull and then you push
Two in the hand and one in the bush

Oh, my love is
So excited
When I say we've
Been invited
Now we're going
To the palace
Dressing up for
Tea with Alice

Some will rise and some will fall
Some will come to nothing at all

The strangest people have the power
To lead me to my darkest hour

How can you be sure it's me
When it's payment on delivery

Oh, my love is
So excited
When I say we've
Been invited
Now we're going

To the palace
Dressing up for
Tea with Alice
Now my love is
Richer than rich
'Cause I studied
Mathematics
Graduated
Without honours
Everyone has
Gone Bananas
