Yea, read all about it tell me  
Have you heard the news  
Captain Bob, he don't pay no dues, ah  
You know he's lookin' in my window  
He's steppin' on my toes  
Don't want the truth and it goes to show

I got a joker up my sleeve  
I know what to believe  
It ain't right just because  
It's in black and white

Find yourself a hero  
Treat him like a friend  
You build him up and tear him down again  
Tear him down again  
It don't hold a candle, hold it to the light  
Check it out, is it wrong or right

Well, is this the news of the world  
It's just a pretty girl  
She's all the news that's fit to print  
In black and white

Inside information, taken down note by note  
A silent footstep, that's all she wrote  
Shit, that's all she wrote  
You got no need to worry  
The baby's gone to bed  
Dreaming dirty dreams in black and white and red  
Aah aah

Well, now I got nothing to fear  
Is this the scoop of the year  
Headlines on my bathroom wall  
In black and white, hey

I got a joker up my sleeve  
It's so hard to believe  
It ain't right just because  
It's in black and white  
Black and white
