

## Deep Purple "Black Night"

Visit "[Black Night](#)" on MotoLyrics.com

Black night is not right  
I don't feel so bright  
I don't care to sit tight  
Maybe I'll find on the way down the line  
That I'm free, free to be me  
Black night is a long way from home  
I don't need a dark tree  
I don't want a rough sea  
I can't feel, I can't see  
Maybe I'll find on the way down the line

That I'm free, free to be me  
Black night is a long way from home  
Black night, black night  
I don't need black night  
I can't see dark light  
Maybe I'll find on the way down the line  
That I'm free, free to be me  
Black night is a long way from home
