(Verse)

Iâ€™ve been watching you dancing all night long
Your legs go on forever
Exquisite synchronicity, they never stayed together
My headâ€™s spinning, keeping focused on my mind
and building this
I donâ€™t know who you are but Iâ€™m enslaved to make
your service

(Chorus)

Makes you fall in line
A moving silhouette
Itâ€™s your body line
You do that thing you read
Make you fall in line
Clearly defined
Itâ€™s your body line
A perfect outline, so divine

(Verse)

Chilling to half it mustâ€™ve been hazy
Smoking my eye a poppin
Fight for your country, you got something to gain
No one but Mike Jones driving
Girl come in and out, my excuse to get me is in danger
No will but thatâ€™s like just emptied it
Wouldnâ€™t wanna be disillusion

(Chorus 2)

Makes you fall in line
So heavenly ashamed
Itâ€™s your body line
My oh my, oh my, oh my
Make you fall in line
A perfect outline, so divine
Body line

(Bridge)

When weâ€™re moving, connection
Well bring me to the main view
It seems to want distraction

But what I need

(Chorus)

Makes you fall in line

A moving silhouette

It's your body line

You do that thing you read

Makes you fall in line

Clearly defined

It's your body line, body line

A perfect outline, so divine
