I've been watching you dancing all night long your legs
go on forever.
Exquisite synchronicity but they never stay together.
My head is spinning keeping focus on my whirling
dervish.
I don't know who you are but I'm enslaved and at your
service.

It's your bodyline
A moving silhouette
It's your bodyline when you do that pirouette
Your bodyline
Clearly defined
It's your bodyline
A perfect outline so divine

Chillin' at the fire-pit lost in a haze of smoke my eyes
are poppin'
Back-light shines through your gossamer gown no
wonder my jaw is droppin'
Gropin' in the dark for any excuse forgive me this
intrusion - no everything's fine just as it is
Wouldn't want to be disillusioned.

It's your bodyline
So heavenly enshrined
It's your bodyline
My oh my oh my oh my
Your bodyline
A perfect outline so defined
Your bodyline

Animal attraction will bring me to your knees
Sensual distraction is what I need

It's your bodyline when you do that pirouette
Your bodyline
Clearly defined
It's your bodyline, your bodyline
A perfect outline so divine.
