Chasing shadows, over my walls  
With myself hardly sleeping  
Dwarfs and giants, twenty feet tall  
Fill the room with their creeping

Sounds of breathing sharpen my ears  
Then they fade into nothing  
Someone's laughter out in the street  
Fills the night with their loving

I feel the ice in my head  
Running its hands through my bed  
Not even dreaming I seem to be dead  
Colors of yellow and colors of red

All I'm asking some secret voice  
Is to lead me to darkness  
I'm so tired, dawn never comes  
I just hide in the shadows

All I'm asking some secret voice  
Is to lead me to darkness  
I'm so tired, dawn never comes  
I just hide in the shadows

I feel the ice in my head  
Running its hands through my bed  
Not even dreaming I seem to be dead  
Colors of yellow and colors of red
