My mama showed me how to rock in the cradle  
But I learned how to roll along  
My papa said "son, gotta git some fun,  
Cos when your old it ain't too good on your own"  
Been so long since you heard my song  
Gonna pick up my guitar and play  
Felt so bad when I had to leave you  
But I knew that I'd be back some day

So I'm comin' home  
To give you more than you bargained for  
Comin' home  
No mistake I'm gonna shiver 'n' shake  
Comin' home  
Gonna rock 'n' roll an' give you my soul  
Comin' home  
I got over the pain I'm comin' home again

Groovin to American Bandstand  
B.B. onstage with 'Lucille'  
The thrill is gone but it won't be for long  
Cos you know I like to play how you feel  
Now that we're back together  
Gonna shiver 'n' shake all night  
I just gotta say the music I play  
Will sure enough make you feel alright

Tho I learned how to rock in the cradle  
An' rollin' came so easy to me  
All the years I travelled the world  
Made it so clear to see  
It's been so long since you heard my song  
Gonna pick up my guitar 'n' play  
Felt so bad when I had to leave you  
But I knew that I'd be back some day

Comin' home  
To give you more than you baragained for  
Comin' home  
No mistake I'm gonna shiver and shake  
Comin' home

Gonna rock 'n' roll and give you my soul  
Comin' home  
I got over the pain I'm comin' home again  
Comin' home  
Shiver 'n' shakin' anticipatin'  
Comin' home The thrill is gone but it won't be for long
