My mama showed me how to rock in the cradle  
But I learned how to roll along  
My papa said, "Son, gotta get some fun  
'Cos when you're old, it ain't too good on your own"

Been so long, since you heard my song  
Gonna pick up my guitar an' play  
Felt so bad when I had to leave you  
But I knew that I'd be back some day

So I'm comin' home  
To give you more than you bargained for  
Comin' home  
No mistake, I'm gonna shiver an' shake

Comin' home  
Gonna rock 'n' roll an' give you my soul  
Comin' home  
I got over the pain I'm comin' home again

Grooving to American Bandstand  
B.B. on stage with 'Lucille'  
The thrill is gone but, it won't be for long  
'Cos you know I like to play how I feel

Now that we're all back together  
Gonna shiver 'n' shake all night  
Just gotta say the music I play  
Will sure enough make you feel alright

Though I learned how to rock in the cradle  
An' rollin' came so easy to me  
All the years I traveled the world  
Made it so clear to see

It's been so long since you heard my song  
Gonna pick up my guitar an' play  
Felt so bad when I had to leave you  
But I knew that I'd be back some day

Comin' home  
Give you more than you bargained for

Comin' home  
No mistake, I'm gonna shiver an' shake

Comin' home  
Gonna rock 'n' roll and give you my soul  
Comin' home  
I got over the pain, I'm comin' home again

Comin' home  
Shiver an' shakin' anticpatin'  
Comin' home  
The thrill is gone but it won't be for long  
Comin' home
