Spread the word around  
The rat is leaving town  
Message is a song  
The misery is gone  
Yes it is

Once I had a dream  
To sing before the queen  
She didn't want to know  
She wouldn't see the show

What a fright  
I couldn't do it right  
Oh, what a night  
What a night

Mystic demons fly  
All above the sky  
Memories of a clown  
The saddest show in town, yeah

When I was seventeen  
My mother said to me  
Careful what you touch  
Shouldn't touch too much

I blew my mind  
She was so kind  
I could have cried

In my mind I had to find  
A kind of new way  
Of being, oh, so cool  
Like a blue blooded  
Well studded English fool

Speak about the past  
Times are changing fast  
Once I was so weak  
I couldn't even speak  
Not a word

Shaking out a curse  
Nothing could be worse  
Walking through the door  
Who could ask for more

Now I'm free  
And I can see  
That I am me  
Yes I am me

Spread the word around  
The rat is leaving town  
Message is a song  
The misery is gone

Shaking out a curse  
Nothing could be worse  
Walking through the door  
Who could ask for more

Now I'm free  
And I can see  
That I am me  
Yes I am me

Please stay away
