All I wish, that I wasn't here
Don't you know, I've got a rotten feeling
Of dizzy heights
Its what they want you know
Oh well here I go

What a funny show

Take my time, its the odds that count Who am I? What a silly sound Hold my breath, talk of sudden death Rhyme and reason must prevail I need a glass of ale

I've gotta feeling now No need for me to tell you how It's really kind of easy now Woa, like rock n' roll

It's gonna be alright It's funky and it's outta sight Feeling good, feeling right It's gonna be alright
