Break my back with hard lovin'
Take my hand and keep movin'
Don't slow down, we're nearly there now
Oh oh oh oh, could you stand the pain?

I'm a hard lovin' man, oh

What's your name? It's alright now
Trick or treat, we're uptight now
Wanna feel ya, I wanna hear ya
Oh oh oh oh, here we go again

I'm a hard lovin' man, oh

Come back here, it's not over
Can't you see, there's still time, girl?
I can last, make it fast now
Oh oh oh oh, gotta catch a train, oh

I'm a hard lovin' man, oh
