She walked into the room her hand upon her hip
Said, "Look out boy I'll make your backbone slip"
Straight at me, the devil in her eye
I knew what I was getting but took it by surprise

No fooling
She knocked the stuffing out of me

She's some woman
Hard lovin' woman
Chewed [Incomprehensible]
Some woman
She's a hard lovin' woman
Some woman
She's a hard lovin' woman

Never wear nothing but a smile upon her face
Licking her lips but I had the taste
Temperature was rising I was coming to the boil
Fires were burning she was pouring oil

No fooling
She knocked the stuffing out of me

She's some woman
Hard lovin' woman
She's some woman
She's a hard lovin' woman
She's some woman
She's a hard lovin' woman

It started with a smile, it turned into a laugh
It ended with a scream I said, "Enough's enough"
Never heard a word she wouldn't let go
A man's a man and every woman ought to know
And there I was and she was dancing

Some woman
Hard lovin' woman, here we go again
Some woman
She's a hard lovin' woman
Some woman

She's a hard lovin' woman

Some woman

She's a hard lovin' woman

Some woman

She's a hard, hard, hard lovin' woman

She, she, she, she

She, she, she, she

She was a, she was a

She was a hard lovin' woman
