Have you ever had a woman that could make you
crazy?
Have you ever had a woman that could drive you mad?
Have you ever had a woman give you so much trouble
And the best lovin' you ever had?

My friends all say I'm losing it big time
But I know where I've got to go

I'm going back there again
I'm going back there again
I'm going back there again
Back to the house of pain

Have you ever had a rock that just keeps on rollin'?
Have you ever seen a train comin' down the track?
Have you ever jumped into the cold, cold river
And know there's no turning back?

My friends all say I'm crazy, baby
I know where I've got to go

I'm going back there again
I'm going back there again
I'm going home
Back to the house of pain

Have you ever had a weight that was much too heavy?
Have you ever had a burden that was yours alone?
Have you ever spent a night when you kept on waiting
Staring at the telephone?

My friends all say I'm crazy
But I know where I've got to go

I'm going back there again
I'm going back there again
I'm going back there again
Back to the house of pain
Pain, pain, pain

Back to the house of pain

Back to the house of pain
Back to the house of pain

Back
Back
